

Mustafa A. Anwily

Elsarraj, Tripoli, Libya
+218915648501 • mustafaanwily@gmail.com

Personal Profile

- Committed to develop my abilities in order to achieve my goals.
- Good communication skills.

Education

- Bachelor of Science degree : “with third honor degree” in Petroleum Engineering from Tripoli University from 2009 to 2014 with average 80.39%.
- Graduation Project title: Predicting the PVT Parameters and the Minimum Miscibility Pressure for Five Libyan Crude Oils.
- MA degree in Petroleum Engineering.
- Master’s Thesis title: Using the Hydraulic Flow Units to Predict the Reservoir Permeability

Work Experience

| | |
|--|---------------------|
| Teaching Assistant, Tripoli University Drilling laboratory | Jun 2017 - Jan 2019 |
| Teaching Assistant, Tripoli University Rock Laboratory | Jan 2019 - May 2020 |
| Teacher, Tripoli University Production Design 2 - Reservoir Fluid Property | Jan 2021 - May 2021 |

Languages

- Arabic: Mother tongue
- French: Levels accomplished are (A1,A2 and B1) at French Cultural Institute.
- English: Levels accomplished are (Intermediate and upper Intermediate) at Tobacts Center for Languages.
- Diploma in French Language Studies: (DELF A2). Computer S

Computer Skills

- PvtP (Pressure/Volume/Temperature) & PvtI softwares user.
- Monitoring and Surveillance oil and gas reservoir OFM softwares.
- Microsoft office including Word, Excel & Power Point with very good capability.
- Serve the Internet with excellent skills.

Training

- Hydraulic fracture lectures sponsored by Society of Petroleum Engineering (SPE) Student chapter-Tripoli University.
- Advanced Excel course sponsored by SPE Student chapter-Tripoli University.
- Instructor in e-APP company for six months.

Interests and Hobbies

- Socializing, walking and tennis.
- Interested in petroleum industry and technology- member of the SPE.
